Below is a list of properties that are part of the TWWD USDA Infrastructure Expansion Phase 1 project. Properties are listed in alphabetical order by street name. Please note, properties listed with a street number as zero, are currently vacant lots. As some streets have more than one vacant lot, and therefore more than one property with a zero as the street number, please use the parcel ID to confirm the parcel location. You can find a map showing any of the parcel's below using the Town of Tiverton's online property/GIS viewer at <http://www.mapgeo.com/TivertonRI/>.

If you believe you have a property that is within the boundaries of the project but is not listed here, please email TWWD at [info@twwd.org](mailto:info@twwd.org) to provide us your address and/or parcel information so we may look up your property location.
